

There are an estimated 500,000 Greek Cypriots worldwide, almost as many as in Cyprus itself

To nominate someone or yourself for the book please telephone +44(0) 207 503 3498 or submit online at www.greekcypriotsworldwide.com

The book will contain around 2000 profiles of Greek Cypriots living outside Cyprus outlining what the nominees have achieved, what towns and villages they originate from in Cyprus, each accompanied by a passport sized photograph.

Entries are encouraged from Greek Cypriots who have contributed socially or professionally to their communities, individuals involved in politics, media, business, sports, theatre, music and the arts. We are also keen to hear from Greek Cypriots who conduct social and charitable work and those working to overcome their disabilities.

Achievers in any of these fields are welcome.
